**CYCLING ACADEMY**

**ABC Sports Learning Ltd/Manchester Cycling Academy**

## **SUSTAINABILITY POLICY**

### **Policy Statement:**

ABC Sports Learning Ltd/Manchester Cycling Academy is committed to promoting environmental sustainability and minimising our impact on the planet.

As a cycling education business, we recognise our responsibility to foster eco-friendly practices and inspire sustainable behaviours within the cycling community and beyond.

### **1. Green Practices:**

We integrate sustainable practices into our operations, from energy-efficient equipment to reducing waste. We encourage cycling as a sustainable mode of transportation and advocate for low-carbon commuting.

### **2. Eco-Friendly Events:**

When organising events, we prioritise eco-friendly choices, such as minimising single-use items, promoting recycling, removing aerosols from our workshops and partnering with venues that share our sustainability goals.

### **3. Resource Conservation:**

We are mindful of resource consumption. Our materials, printing, and marketing materials are selected with a focus on environmental impact.

### **4. Community Engagement:**

We engage with our community to raise awareness about sustainable cycling practices, promoting bike maintenance, eco-conscious commuting, and responsible trail use.

### **5. Supplier Partnerships:**

We collaborate with suppliers who align with our sustainability values, seeking products and services that are environmentally friendly and ethically sourced.

### **6. Carbon Footprint Reduction:**

We actively work to reduce our carbon footprint by adopting cleaner transportation options and promoting sustainable commuting among our staff and participants.

### **7. Education for Sustainability:**

Our education programs highlight the benefits of cycling as a sustainable mode of transport, contributing to cleaner air and reduced congestion.

### **8. Continuous Improvement:**

We regularly review and update our sustainability practices to identify new opportunities for improvement and minimise our ecological impact.

**9. Collaboration:**

We engage with local cycling organisations, environmental groups, and community initiatives to amplify our impact and contribute to broader sustainability efforts.

**10. Reporting and Accountability:**

We transparently communicate our sustainability initiatives and progress to our staff, participants, and stakeholders.

By adhering to this sustainability policy, we are committed to promoting a greener future through cycling education and responsible environmental stewardship.
